

Summit 13 and 15

Space-Age Sexy
Space-age, but cozy, Summit 13 and 15 is all that, in quilted high-gloss Italian nylon, fashioned by the 13" and 15" notebook. Summit's playful padding also ensures ample protection. And a detachable messenger strap ensures you get to work on your stuff.

Summit 13 MSRP: 1120.00 USD | Summit 15 MSRP: 1500.00 USD

Arrives in 6 fashionable tones:

Summit

Space-Age Sexy
Take it to the Summit! It's where you find perfectly styled, magnetic, compact, padded protection. High-gloss Italian nylon + futuristic flare = you and your iPad on the way out.

MSRP: 1400.00 USD

Comes in 6 luscious colors:

3 Degree

A Practical Solution
With a bold yet elegant forward look that's a perfect fit for any style, 3 Degree easily gets you from open to a pouch & back in Italian microfiber nylon. 3 Degree stores your iPad softly and safely.

MSRP: 1800.00 USD

Comes in 5 confident tones:

Lil Keeper

Small Wonder
Capture the moments with the handy, multi-pocket Lil Keeper. The promise of light weight and compact, the customized 3-in-1 value pouch comes with a handy, ensuring your camera or mobile device is ready for action.

MSRP: 400.00 USD

Arrives in 5 cute colors:

Razor Back

A Brand New Cut
The ultra-lean statement of the impressively light, Razor Back boldly deconstructs the backpack tradition. Multiple pockets cleverly turn this super-slim, high-gloss nylon carrier into a whole universe: transport your notebook, iPad and other electronics in one fashionable take.

MSRP: 1600.00 USD

Stands out in black.

Bookworm

Classic Fold
A classic design in genuine leather defines Bookworm for iPad. All corners of your iPad are well secured with built, superior strength elastic. A microfibre pad firmly cushions your iPad from below.

MSRP: 900.00 USD

Comes in 4 beautiful colors:

Bookworm SE

Modern Fold
A highly crafted folio with a unique, supple texture, Bookworm Special Edition (SE) uses premium hi-tech leather to highlight its appeal. Your iPad is secured on all corners with built, superior strength elastic, and cushioned beneath with a microfibre pad.

MSRP: 1225.00 USD

Comes in 3 handsome colors:

Memo

Modern Notes
The ultra-contemporary Memo is beautifully crafted in rich leather. A slim design with a strong, elastic belt secures your iPad. Plus, Memo has a bonus feature—its internal microfibre lining frees your iPad of dust with each use.

MSRP: 1100.00 USD

Comes in 5 radiant colors:

Monty

Sealed With Sophistication
Monty sees the deal for your iPad in post-modern, vegan leather. Monty elegantly encloses your iPad with two studs that firmly hold everything in place. And its interior microfibre lining frees your iPad of dust with each use.

MSRP: 850.00 USD

Comes in handsome black.

Ballistic

Moving Targets
With the constant commuter in mind, the Ballistic was designed to hold your iPad in place—and in style. Water-walled technical zippers and tough ballistic nylon safely shield your iPad wherever you go. Plus, a strong elastic belt keeps things snug.

MSRP: 1950.00 USD

Comes in 2 handsome hues:

iSkin Company Profile:

iSkin emerged as a design force at the onset of the portable digital music revolution, creating visually arresting accessories starting with the very first iPod in 2002. In fact, iSkin helped launch an entire industry devoted to stylishly protecting some of the world's most vital personal assets.

As a privately held Canadian company with international branches and an internal R&D team, we have the luxury of focusing on what we do best: creating top-quality, innovative protective solutions and premium electronic accessories. Fueled with the tenacity to create industry-leading, top-quality, fashion-forward protection for mobile devices, iSkin was born. From there, and through innovators in design and manufacturing, we are now able to offer truly unique, fashion-inspired products to the modern consumer.

iSkin products are loved by millions of gadget consumers—technosistas—and are found in over 70 countries around the world.
